9/11+15: A Strategic Review of the Fight Against Terrorism

Remarks by Sarah Sewall, Under Secretary for Civilian Security, Democracy, and Human Rights
National Defense University
Fort McNair, Washington, DC
September 8, 2016

"Fifteen years after 9/11, terrorism remains a significant and even growing concern for many Americans and foreign publics – perhaps to a degree that would have surprised observers five or ten years ago." Sarah Sewall words

Assistant Secretary of State for International Organization Affairs Sheba Crocker On U.S. Priorities During the 71st Session of the UN General Assembly

Special Briefing by Bathsheba Nell Crocker
Assistant Secretary, Bureau of International Organization Affairs
September 13, 2016

"This year, we are focusing on three topline priorities as we head into the UN General Assembly: humanitarian response, peace and security, and countering terrorism and violent extremism." Assistant Secretary Crocker words
